WRC Conference Room

**Agenda:**

1. **Introductions/Minutes Approval**  
   *May 21, 2015*

2. **Brattleboro Community TV – Informal Interview**  
   *Every six years, BCTV goes through a contract renewal process with cable providers Comcast and Southern VT Cable, which provide 90% of their funding through local cable subscriber fees. A critical part of this process is asking for feedback from community leaders such as WRC about what BCTV does well and what more they could do to meet the community's needs as a public access television station.*

   *Committee members will be asked to take a short survey, which you can do in advance online at this link.*
