Matt Mann (staff)      Lou Bruso
Jodi French - Chair

MINUTES APPROVAL
A motion to accept as submitted, with a spelling correction to Lou Bruso’s name, the minutes of the January 14, 2013. The originally scheduled February 11, 2013, was rescheduled due to weather.

BUSINESS

Transportation Alternatives (TA) Grant Program
The Committee reviewed and discussed the Town of Stratton’s TA application for a trail project feasibility study. At the January 14th Committee meeting, the Committee voted not to support this project based on the lack of information provided and the information that was provided was misleading. After more discussion and additional project information from Stratton Mountain Corp staff, the Committee voted to support this project. Matt discussed the importance of having each applicant applying for TA and/or Bike/Ped Grant funding, to attend the Committee meeting and discuss their application with the Committee.

Transportation Plan Update
The Committee reviewed and discussed the policies related to the Land Use and Development, Energy and Air Quality, Freight and a portion Highway chapters. The discussion included: tightening up the policies and making them clearer, deleting policies that are repetitive and using language that will hold up in the ACT 250 process.

Meeting adjourned at 6:00pm.

Next Meeting Date: March 11th
